LOST AND FOUND

The lost and found bin is growing quickly! Please take a moment to look through it before or after your dancers class. Unclaimed items will be donated at the end of the month.

Class Attendance

***and why it's important**

Now that we have entered the new year and are gearing up to begin choreography for our recital, class attendance is, and will remain, extremely important.

If your dancer will be missing a class, please let me know so I can plan accordingly. Classes may be made up (if appropriate classes are available) by March 1st. Classes missed after March 1st cannot be made up due to recital choreography taking place in each class.

***Dancers who miss more than 3 classes after March 1st may not be able to perform in their entire class routine.*
