Parent Viewing Week #2

March 24 - 28, 2025

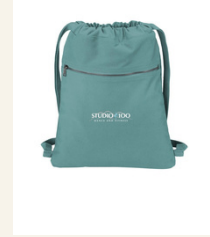

The 2nd viewing week of the year is happening this month! The doors to the studio will remain open during the week of March 24th. This is a great opportunity to see how far your dancer has come and how much they have learned since the first viewing week. Please keep the number of your viewing party to 1 or 2 per family to allow room for others. No street shoes are allowed in the studio so please remove those before entering and we ask that you avoid side conversations as to not distract the dancers in class.

Thank you and we hope to see you then!
